**BIOGRAPHICAL INFORMATION**  
**Officers and Board of Directors Candidates**  
**East Michigan Chapter of the Air & Waste Management Association**

**For Office of Treasurer**

Robert Kimble  
Retired Engineer

Bob Kimble is recently retired from the Sidock Group, Inc., where he specialized in air permitting and compliance issues, SARA reporting and ISO auditing / compliance programs. Prior to consulting, Mr. Kimble worked with the Wayne County Department of Health, Air Pollution Control Division. Mr. Kimble has a Bachelor's Degree in Mechanical Engineering from the University of Michigan - Dearborn.

Mr. Kimble has served on or co-chaired planning committees for the Chapter's conferences, participated in science fair judging on behalf of the Chapter and served several terms as a Director on the Chapter's Board of Directors. Mr. Kimble has served as Treasurer of the East Michigan Chapter since 2015.

**For the Office of Secretary**

Michele Buckler, P.E., LEED® AP  
Detroit Diesel Corporation

Michele Buckler is currently the Senior Environmental Engineer for Detroit Diesel Corporation – part of Daimler Trucks North America. Prior to joining Diesel, Ms. Buckler was a Principal with Civil & Environmental Consultants, Inc.; an Associate with FTCH; and an Environmental Health & Safety Manager with CEMEX/Southdown. Ms. Buckler has a Bachelor's Degree in Environmental Engineering from Michigan Technological University, a Master's Degree in Civil Engineering from Wayne State University, a Master's in Business Administration from Michigan State University, and is a P.E. registered in the state of Michigan, with accreditation from the USGBC as a LEED AP BD+C.

Ms. Buckler has served as the Secretary of the East Michigan Chapter Air and Waste Management Association since 2008 and previously served as Membership Chair. Currently, Ms. Buckler is a Director on board of AWMA's East Central Section. She has served as Chair, Co-Chair, or a committee member for the Fall Joint Conferences since 2007. In addition, Ms. Buckler was the Chair of the Social Programs Committee for the 2009 Annual Conference and Exhibition.

**For the Office of Director (3-Year Term)**

**Lisa Fishbeck, CHMM**  
TC Energy

Lisa Fishbeck is an Environmental Analyst at TC Energy. Prior to TC Energy, Ms. Fishbeck worked for DTE Energy, providing air permitting, emissions reporting, regulatory compliance, and sustainability and greenhouse gas reporting expertise. Prior to joining DTE, she worked as an Environmental Specialist at TransCanada and Energy Transfer. She brings over 14 years of experience in the electric utility and oil and gas industries in air, water, waste, remediation, SARA, SPCC, SWPP, UIC, and spill response.

Ms. Fishbeck holds a Bachelor of Science degree in Environmental Studies and Agriscience from Michigan State University. She completed her MBA at Wayne State University with concentrations in Finance and Management. Additionally, Ms. Fishbeck is a Certified Hazardous Materials Manager.

**ELECTION BALLOT 2026-2027**  
**Officers and Board of Directors**  
**East Michigan Chapter of the Air & Waste Management Association**

**For the Office of Director (3-Year Term)**

**Stephanie Jarrett, PE**

South Channel Environmental Consulting LLC

Stephanie A. Jarrett is a Partner at South Channel Environmental Consulting LLC. Ms. Jarrett has more than 25 years of air quality permitting and environmental regulatory compliance experience. Ms. Jarrett is responsible for providing strategic environmental consulting services to industrial clients. Prior to joining South Channel, Ms. Jarrett worked for environmental consulting firms in Chicago, Ferndale, and Novi. Ms. Jarrett has a Bachelor's degree in Chemical Engineering from Michigan State University and is a licensed professional engineer.

Ms. Jarrett served on the 2009 AWMA Annual Conference & Exhibition local host young professionals subcommittee, and has previously been a Director, Vice-Chair, and Chair of the East Michigan Chapter of AWMA.

**For the Office of Director (3-Year Term)**

**Katie Koster**

Michigan Department of Environment, Great Lakes, and Energy

Ms. Koster is a Senior Environmental Engineer for the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) in the Detroit Field Office. She has been with the agency for 15+ years. Katie's work involves inspecting facilities for compliance, interacting with citizens and community groups to respond to air pollution concerns and to educate them about air quality regulations and industrial sources of air pollution, assisting other local and state agencies to address multimedia issues, and representing AQD during educational and professional events. Katie has also taken advantage of numerous training opportunities throughout her AQD career to advance her technical knowledge and communication skills.

Ms. Koster is a graduate of the 2009/2010 Michigan State University Great Lakes Leadership Academy (GLLA) and is involved in a leadership group that meets monthly as an extension of that program. She holds a Bachelor of Science in Chemical Engineering from Washington University in St. Louis.
